"Welcome... Home..."

"Did you...
Do anything today?"

"Uhm... Uhm...
Today I saw a huuuge butterfly!"

"Oh, did you?"

"And what color was
that butterfly?"

"Brown!"

"That was a moth."

"..."

"Anyway, was
school fun?"

"...Yup."

"Is that so..."

"And?
...What else..."

"Aah... Just...
Give me...
Five minutes..."

"..."

"...Hm."

"SHINOBUUUUUU!!"

"!!!"

I THOUGHT LOVE DIDN'T EXIST IN THIS WORLD.

"Masaki, wanna get married?"

"...It's fine. I have Shinobu. I've decided we'll live, just the two of us."

"I can't sit back and watch this anymore. It's not about you, but Shinobu. It'll be a pity for him at the rate you're going."

"...Even though you wouldn't have accepted a proposal from me."

"Oh, so you do get it?"
